For Your Love

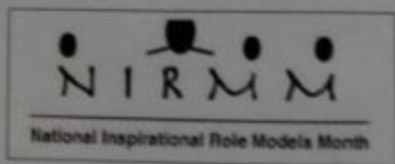

by Beverly Jenkins

... Trent has always believed no good comes from dwelling on the past, especially when you have a loving family, a strong community, and folks who depend on him. But when the past comes to Henry Adams and Trent has no choice but to face it—and the woman who left him behind. The truth will shake his very being and everything he thought he knew about life, love, and the bonds that hold families together...yet can also tear them apart.
